

Giving Hope Shopping Information

Thank you so much for sharing your time and love to bless families for Christmas this year!

Below is some important information for you to know.

Step 1: Shopping

Once you have chosen an age group to bless this Christmas, it's time to start shopping! Attached is a list of gift ideas to help you get started. Feel free to be creative and have fun!

- We ask that gifts are of an approximate value of \$20-\$25. (or more)
- Please NO electronics (such as phones, laptops, video systems)
- Please NO clothes or shoes
- Please use your discretion to make sure all gifts are appropriate and Christ-honoring.
- Request you buy 3-4 gifts or more
- No Books other than Bibles

Step 2: Bible

Please include an age-appropriate Bible for your child. Our desire is that every child receives a Bible for Christmas. Below are age-appropriate Bible suggestions:

Ages 0-8 The Jesus Storybook Bible

Ages 9-12 The Action Bible

Ages 13-Up NIV or NLT Teen Study Bible

Step 3: Gift Wrap

Once you have completed your shopping, please leave your gifts unwrapped. If possible, please include gift wrap, and tape in your bag upon drop off.

Step 4: Drop Off

- Please place gifts and gift wrap in the enclosed plastic bag.
- Be sure to return your Giving Hope envelope in the bag.
- Make sure that your bag is tagged with child's age and gender (tag and tie are provided in your packet)
- Please return all gifts by Sunday, December 9th

Step 5: Pray

As you spend time preparing, please cover these children and their families in prayer.

Step 6: Follow Up

If you run into a problem and are unable to shop for these gifts, please call the church (719-591-1800) as soon as possible so we can reassign the gifts to another church family. We understand that unexpected situations occur, so if you communicate that to us, we can ensure that every child receives gifts.

Thank you again for blessing these children and please contact Barbara Miller (NE) or Michelle Vickers (SW) with any questions.
